Making it happen, together

As we move into 2026, we do so with real momentum and excitement for what lies ahead for the Holbeck Together community.

As mentioned in previous newsletters, we are a key partner in the Council's 'Levelling Up' investment in the area. After significant planning and partnership work throughout last year, 2026 will mark the start of renovations to the Old Box Office and the wider Domestic Street "campus". This investment will create more welcoming, accessible and flexible spaces – strengthening Holbeck Together as a community hub for years to come.

Wider plans for this investment include improving local green spaces and streets and tackling fuel poverty through home energy improvements. Leeds City Council are asking local residents to get involved by joining the Inclusive Design Panel to help shape designs for streets, parks, public spaces and buildings – ensuring they work for everyone.

If you'd like to be involved or find out more, visit: heartofholbeck.commonplace.is

Looking back on 2025, we are proud of the impact we have made, particularly during the Christmas period. Over 200 Christmas hampers were delivered to older residents, and 750 toys were distributed to local families. These were small individual acts in the context of wider challenges, but they helped ease pressure and brought moments of relief and joy at a difficult time for many.

None of this happens by accident. Our staff team continues to go above and beyond every day. They work with integrity, compassion and determination – often in circumstances where demand far outstrips capacity.

2025 also saw important new partnerships develop. Our first business breakfast held at Leeds United Football Club, led to the launch of the Holbeck Together Business Alliance, including our first Alliance meeting of Leeds businesses' hosted by KPMG at their city offices. The response from corporate partners, particularly through our Winter Campaign, has been both generous and uplifting. We hope to build on this momentum in 2026 so we can reach even more people together.

Wishing everyone a happy and healthy 2026.

— News & Events

This festive season we hosted a series of events bringing older people together and sharing the warmth of community spirit.

We kicked off with a Lunch at Leeds United Football Club, where guests enjoyed a beautiful meal. Laughter and live entertainment set the tone for the Christmas season. Thank you to all the staff at Elland Road for hosting us and thank you to Addleshaw Goddard who generously donated a gift for every guest! (pictured above).

Clients also enjoyed wreath making. A huge thank you to Fox Lloyd Jones for sponsoring and helping at this event.

74 people enjoyed a Christmas Lunch which was generously provided by The Yorkshire Property Charitable Trust and catered by Leeds United Catering Department. A good time was had by all with a sing-along to festive classics and favourites. For many older people, winter can be a lonely time, but these gatherings brought warmth, connection, and a sense of belonging.

A Festive Day at Sundown Adventureland

A full 57-seater coach, packed with excited children, parents and carers, drove out of Holbeck filled with laughter and anticipation on a festive trip to Sundown Adventureland to meet Santa and enjoy a magical family day out.

For many of the families who joined us, this trip was far more than just a day out. Attractions like Sundown Adventureland are often out of reach, especially in the weeks leading up to Christmas. The cost of tickets, transport, food, and the distance involved can make visiting places like this simply unaffordable and unachievable for many families — even more so at a time when household budgets are stretched to their limits.

Above all, the trip was about creating memories — moments that families can hold onto after the decorations come down.

Thank you to Leeds Building Society for supporting this trip.

“Today was so special. We’ve had a hard couple of months, and this trip has made our Christmas. Our family needed this day, we will remember it forever.”

MAGICAL MOMENTS Christmas Light Switch-On

Our Christmas Lights Switch-On was a truly special occasion. It was made even more memorable with a visit from LUFC's Stuart Dallas, who kindly joined us to switch on the lights as the local community gathered to share the moment.

Supported by LCC Inner South Community Committee

Breakfast with Santa

We hosted a magical Breakfast with Santa for our Parents and Tots Together group. 30 of our youngest clients and their grown-ups also came together to enjoy a truly special morning at St Matthews – a magical breakfast with Santa.

Biscuit decorating and festive crafts, where little hands got busy (and a bit messy!) creating

tasty treats, plus a delicious, cooked breakfast provided by our fantastic chef Steph made the event very special.

The highlight, of course, was the meet and greet with Santa himself. There were lots of smiles and excitement before Santa handed out soft toys for all the children.

We are incredibly grateful for the support of our corporate volunteers from Crowne Plaza Hotels and BAM, who helped ensure everything ran smoothly. Their involvement helped make the day extra special for our families.

“
Santa is
real – best
day ever
”

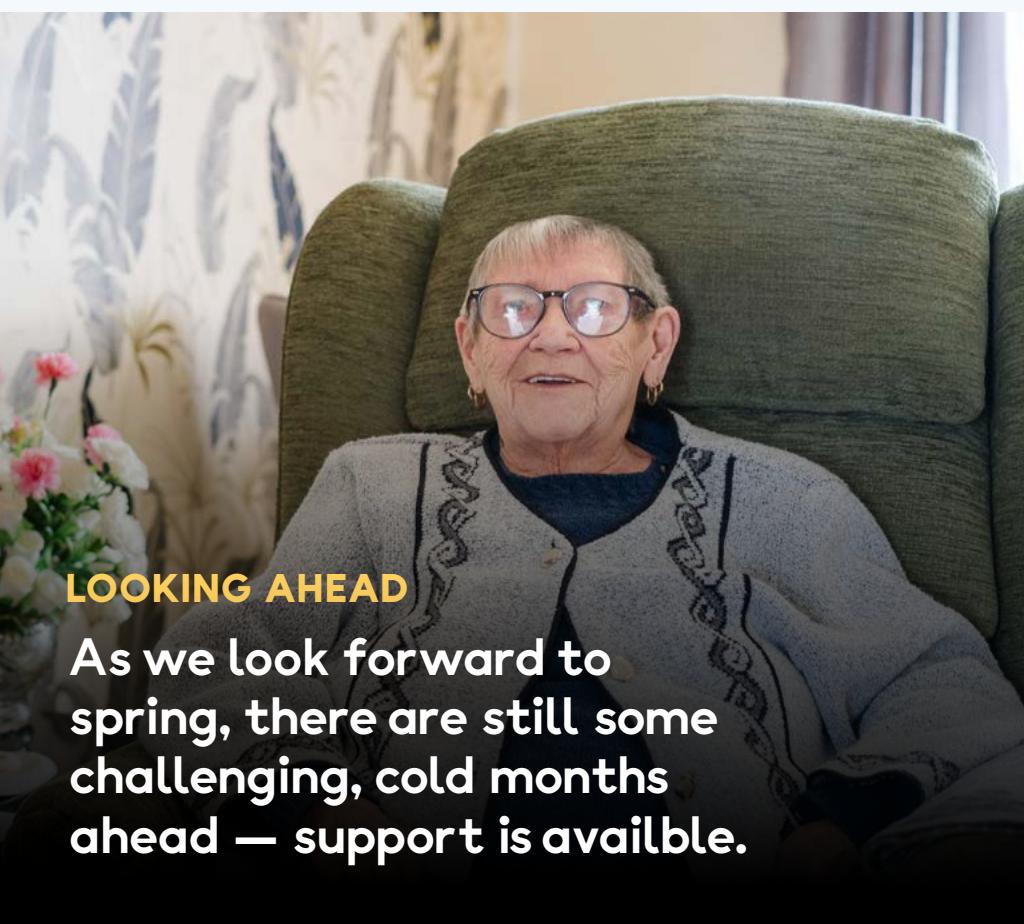

MAGICAL MOMENTS Christmas Market

We held a hugely successful Christmas market at St Matthews which was sponsored by Right At Home Leeds. Everyone enjoyed the tasty treats, festive facepainting and tombolas – and of course the visit from Santa and his elves to our Christmas Grotto.

To round off the year, we held a Christmas social and a New Year's Eve celebration lunch. Everyone was in fine spirits to welcome in the New Year.

— Support & Advice

LOOKING AHEAD

As we look forward to spring, there are still some challenging, cold months ahead — support is available.

Would you like a home visit?

Do you know that alongside the wide range of services and activities at St Matthews Community Centre, we offer in-person home visits and household support to residents across Holbeck — especially for anyone who finds it difficult to get out and about.

If you'd like a home visit or more information, you can get in touch with our Community Support Worker, Chris, by popping into our office, emailing chris@holbecktogether.org, or calling 0113 245 5553.

Need support with appointment and forms?

We can also help with Universal Credit/PIP forms, as well as scheduling and transportation to and from GP and hospital appointments.

Digital Hub

PREPARE FOR THE DIGITAL SWITCHOVER

What is the digital switchover

The UK telecoms industry is phasing out the analogue Public Switched Telephone Network (PSTN) and moving all voice telephony to digital networks. This affects landlines, telecare connections, alarm systems, CCTV, and other devices that rely on old copper phone lines. Completion is planned by 2027 with major activity already happening now.

WITH
Sean

What do I need to do?

Providers will contact customers ahead of their switchover date and arrange any needed upgrades or engineer visits.

You should tell your provider if you or someone you support uses telecare, an alarm, or essential equipment connected to the phone line, this helps ensure they have the correct information and can provide the right support for you.

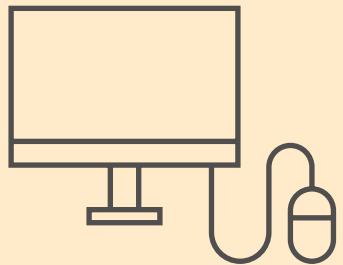

Customers needing extra help can visit the following website for more information

www.bt.com/help/landline/moving-to-dv/being-moved-to-digital-voice

Free Engineer Visits

BT offers a free visit to help set up your new service and ensure everything works.

BT will also be providing a dedicated service for those without broadband, letting them use their landline as normal until 2030 or until a digital solution is ready, so no one is left without a phone. If you are unsure how the switch over might affect you pop into the Digital Hub and have a chat with Sean, our Digital Inclusion Officer.

MONEY MULES: WHAT YOU NEED TO KNOW

What are they?

A money mule moves illegally obtained money for criminals through their bank account. Often recruited via fake job ads or social media scams promising easy cash, mules unknowingly participate in money laundering, funding crimes like fraud and drug trafficking. Being caught can lead to prison and serious financial consequences.

How it works

Criminals target people online with fake job offers.

Mules receive criminal funds into their account and transfer it elsewhere, keeping a small cut. This disguises the money's illegal origin.

Why people get involved

- Tempted by 'easy money' jobs.
- Tricked or manipulated via social media.
- Unaware they are committing a serious crime

How to avoid it

- Be cautious of unsolicited job offers or 'easy money' schemes.
- Never move money for strangers.
- Report suspicious activity to your bank or the police.

DIGITAL HUB WELCOME SPACE

Join us on Tuesday mornings from 10am – 1pm to access our IT equipment, enjoy free coffee and biscuits and ask questions of our digital inclusion officer Sean.

OUR GENERAL DIGITAL HUB OPENING TIMES ARE

Tues 9:00-1:00pm

— Bringing generations together in Holbeck

Humbled by your generosity... one mum's thank you

This festive season, Holbeck Together worked in collaboration with Child Friendly Leeds, Boom Leeds and Wellington Place to alleviate financial pressures for many families in the Beeston and Holbeck area by providing over 750 gifts to young families. Gifts were provided to local families through Holbeck Togethers wider work and 7 local primary schools. This feedback from one local mum highlights the impact of the support and donations made:

“Thank you so much for the kids gifts it really makes a difference. I walked in this morning weighed down with anxiety when I really should be looking forward to Christmas.

My youngest is 7 and I know from having older teenagers this magical Christmas phase doesn't last for long. I only had two options this year either take away the magic and tell my daughter Santa isn't real, because she knows you don't get gifts if you're on the naughty list and I couldn't bare her to think she was on the naughty list, or the second option that my teen boys agreed with, was they'd have a couple of cheap wrap ups and we'd make sure the youngest got her gifts from Santa! I was so proud of them. When Holbeck together said they could help with gifts I was happy because it meant if she was taken care of and I could use some of the money I had to get the boys a few bits.

I was so grateful and amazed when I saw not only the beautiful gifts for my daughter but also my two boys. I about cried when I saw the Nike socks and proper lynx! Not to mention the other lovely items. Now I have a little spare to buy them some treats eat at home (tin of Cadbury heroes, pringles and PROPER coke).

Thank you so much for lifting the weight off my shoulders and I'm now genuinely happy and excited for Christmas. I'm really humbled that in such challenging financial times, people have been so generous with their gifts, and this is truly the true meaning of Christmas, generosity, kindness and goodwill to all men. I hope the generous donators have the best Christmas and that their kindness is returned to them tenfold. Merry Christmas!”
