## The Heart of Holbeck: Listening and Connecting Together

Elissa Newman  
Chief Officer  
Holbeck Together

One of the things I value most about the work we do at Holbeck Together is being part of the Holbeck community and making sure local voices are heard. For us, being a community anchor means listening to people, bringing together ideas and experiences, and helping make sure the voices

of Holbeck residents reach the organisations and partnerships that make decisions and bring services, opportunities, and support into our community.

Our team spends a lot of time listening to local residents — through our activities, services, and everyday conversations. We often hear directly about what's working well and what still needs to change. That local insight is important in helping to shape conversations about the future of our community.

Of course, no organisation can speak for everyone in a community as diverse as ours. But we do our best to listen carefully, understand the issues people are facing, and help make sure those perspectives are shared in the right places.

We attend various meetings across the city where issues around health, housing, community safety, education, and regeneration are discussed. When we're in those spaces, we bring with us the experiences, ideas, and concerns we hear from people here in Holbeck.

If you live or work in Holbeck, or care for someone here, and there's something you'd like to share — an idea, a concern, or an issue you think needs attention — please get in touch. Our door is always open and we're always happy to listen.

## Love is all around us

We really felt the love this Valentine's Day with our Friday Fish and Chips service and a Valentine's themed dessert for our clients. The room and tables were decorated with gorgeous decorations made by our craft group, and each guest left with a rose. A fantastic day had by all!

## Toe-tapping lunch entertainment

Our over-55s enjoyed a fantastic lunch at St Matthews, made even more special with live entertainment from Neil Diamond and Elvis tribute performers. The afternoon was filled with classic songs, smiles, and plenty of toe-tapping as guests sang along to much-loved hits.

With good food, great music, and wonderful company, it was an enjoyable time for everyone. Thank you to all who joined us and helped make the day such a success.

## Healthy Holidays Half Term fun at Lane End

Healthy Holiday half term fun was a hit with our children this February.

Each day included a nutritious meal, with children having the chance to try a variety of healthy options in a relaxed and supportive setting. Alongside this, there were plenty of games, creative activities and team challenges to keep everyone busy.

Most importantly, it was a space for children to spend time together — building confidence, making new friends and enjoying their school environment in a different way during the break.

Thank you to our team and partners who helped make the sessions possible. We're proud to continue offering opportunities like this during the holidays and look forward to the next one.

Healthy Holidays is funded by the Department for Education and run by Leeds City Council in partnership with Leeds Community Foundation.

**Book now for the  
Easter Healthy Holidays  
13-16 April 2026  
Book via Leeds City Council  
website.**

## Flippin' Fun on Pancake Day

What a flippin' fantastic Pancake Day we had!

We marked Pancake Day with a laid-back morning at St Matthews. From lemon and sugar to fruit and syrup, there were plenty of combinations on offer – and it was great to see so many new faces joining in the fun!

# TIME TO TALK

5 February 2026 marked Time to Talk Day and we were delighted to host two supportive sessions focused on opening up conversations around mental health – one supported by BeingYouLeeds, and another through our Men's Group.

Both sessions created safe, welcoming spaces for people to talk openly about stress, anxiety and the pressures of everyday life. People were encouraged to share their experiences, listen to others and access practical advice on managing their wellbeing.

Alongside the group discussion, we signposted people to local support services to ensure attendees knew where to turn for further help.

Our Men's Group session placed particular focus on challenging stigma and encouraging men to speak honestly about their mental health. The conversation highlighted the importance of connection, vulnerability and seeking support when it's needed.

Time to Talk Day may be just one day in the calendar, but the message is ongoing: no one should have to face their mental health alone – and talking really does make a difference.

**We are here to help. Call us if you need to talk to someone 0113 245 5553**

## Game on at St Matthews

Holbeck is a community made up of rich and diverse cultures, and our Cultural Games morning at St Matthews has been created to bring people together to celebrate each other's cultures.

Through laughter, learning, and a little friendly competition, everyone—from experienced

players to newcomers—is welcomed and encouraged to join in.

More than just games, these mornings are about connection. They help reduce isolation, build lasting friendships, and showcase the variety of cultures that make our community so special. We're grateful to everyone who joins us and helps make St Matthew's such a warm and inclusive space.

**Join us every Wednesday 10am-12pm FREE OF CHARGE**

STAFF SPOTLIGHT

# Supporting Local People: Chris' Work in the Community

Need a hand with everyday challenges?

**Chris is here to help.**

He provides practical, one-to-one support to local people facing barriers in their day-to-day lives.

From building confidence and updating CVs to searching and applying for jobs, he can help you every step of the way.

Chris can also help you with important appointments such as GP or hospital visits, Will writing, and other practical matters that can feel daunting.

If you are looking for some personal support to build your confidence in managing daily life, or guidance on an issue that feels overwhelming get in touch and have a chat with Chris today.

To make an appointment contact [Chris@holbecktogether.org](mailto:Chris@holbecktogether.org)

## Welcoming everyone

Everyone deserves to feel welcome, safe, and included. That's why we're committed to equality, equity, diversity, and inclusion (EEDI) in everything we do—making sure our services are open to everyone in our neighbourhood, no matter your age, background, abilities, beliefs, or life circumstances.

For us, this isn't just words on a page. It's about:

We put this into action by:

1

**Equality:** Giving fair access to our services and opportunities, and challenging discrimination wherever we see it.

1

**Offering** community-based services that everyone can use.

2

**Equity:** Recognising that everyone has different needs and taking steps to remove barriers so everyone can join in.

2

**Listening** to local people and learning from their experiences.

3

**Inclusion:** Creating warm, welcoming spaces where people feel they belong and their voices are heard.

3

**Making adjustments** where needed to ensure everyone can participate.

4

**Partnering** with organisations that support under-represented and marginalised groups.

Our staff, volunteers, trustees, and partners live by these values every day. Together, we're building a Holbeck community where everyone can take part, feel valued, and thrive.

[DATE FOR YOUR DIARY](#)

## Being You Leeds Mental health support

Sometimes life can be very busy or overwhelming so we are encouraging you to block some time out in your diary during Mental Health Awareness Week to take some time for you. Whether it's taking a daily walk, catching up with friends or starting your day right by joining us for our continental and cooked breakfast on 14th May 10–11AM at St Matthews.

Our breakfast during this week costs just £2 per adult (children eat free!) and you can enjoy free healthy smoothies and overnight oats—simple ways to boost both your body and mind.

Small actions can make a big difference, and this is your chance to take a moment for yourself, connect with others, and start the day feeling good.

## Minibus Services

### Need a Minibus? We've got you covered!

Planning a school trip, sports fixture, community outing, or group event?

You can hire a minibus from Holbeck Together for safe, reliable, and affordable transport.

### Why book with us?

Our fully insured, professionally driven minibuses make getting your group where they need to go easy and stress-free.

We can work with you to meet your specific needs, whether it's a one-off trip or regular journeys.

By choosing us, you're not just booking transport—you're supporting your local charity.

### Ready to book?

VOLUNTEERING

# The impact and benefits of Corporate Volunteering

We're so fortunate to have local businesses supporting us through volunteering.

Over the years staff from local businesses have helped in a variety of ways from serving lunch, to tidying the grounds at St Matthew's, to helping out in our re:loved charity shop, and much more. Their time and skills make a real difference every day in helping us deliver our activities.

Corporate volunteering isn't just valuable for us—it benefits businesses too. Employees gain team-building, leadership experience, and a sense of purpose, while organisations can use it to help build a sense of 'giving back' and strengthening connections with their community.

For Holbeck Together, these partnerships are vital. Volunteers help us expand services, reach more people, run projects efficiently, and make our community stronger and more connected.

If your business wants to give back, get involved, and make a real impact, we'd love to hear from you.

We welcome partnerships with businesses of all sizes and can tailor opportunities to suit your team's goals and availability.

**Get in touch today to find out more**  
[leanne@holbecktogether.org](mailto:leanne@holbecktogether.org)

There are a variety of ways you can get involved:

**Team volunteering days**

**Skills-based support**  
Marketing, HR, finance, IT, strategy

**Event support**

**Mentoring or professional workshops**

We will work with you to ensure the volunteering opportunities are structured, impactful and rewarding for your employees.

COMMUNITY SUPPORT

# Supporting our community in a changing world

We have seen a noticeable rise in new arrivals to the area who are unfamiliar with local services and unsure where to turn for help.

Moving to a new country or a new area in the UK can be overwhelming. Finding your way around a new community is tricky when many forms, services, and contact points are online—and potentially in a language you may not speak. Even simple tasks like managing bills, accessing local services, or staying informed can feel daunting.

That's where Holbeck Together's Digital Hub comes in.

FREE to access and right on your doorstep in St Matthews, the Hub provides a friendly, welcoming space where people settling in Holbeck can get hands-on support, learn new skills, and build confidence in navigating the digital world.

No one should feel left behind in today's digital world. Whether you're new to Holbeck or just need a helping hand, our Hub can help you connect, learn, and feel confident in managing everyday life in a digital way.

## How the Digital Hub can help:

- One-to-one support to tackle online forms and tasks
- Friendly group learning sessions for practical digital skills
- Guidance with tablets, smartphones, and other devices
- Digital outreach in the local community
- Device lending and data gifting where appropriate

## Digital Hub Opening Times

Tuesday, Thursday, Friday 8.30–1.00
